Queensland statistics

Welcome to the Government Statistician (GS) web site. This site contains a wide range of demographic, economic and social data relating to the state of Queensland, as well as information about using statistics and the services we provide.

Queensland Regional Profiles

The Queensland Regional Profiles have been given a fresh new look with a simpler design and improvements in the profile generation speed. Time Series and Workforce profiles, along with a custom comparison region feature, will be released in the near future. The Profiles are informative statistical reports on a range of Queensland community types (e.g. local government areas), and are generated automatically using the latest demographic, social and economic data available.

Population, Aboriginal and Torres Strait Islander Queenslanders, 30 June 2011

Population, Aboriginal and Torres Strait Islander Queenslanders, 30 June 2011 brief presents final estimates of the Australian and Queensland Aboriginal and Torres Strait Islander population as released by the Australian Bureau of Statistics (ABS) in the product *Estimates of Aboriginal and Torres Strait Islander Australians*, June 2011 (cat. no. 3238.0.55.001). These replace the preliminary estimates released on 20 June 2013 in *Australian Demographic Statistics*, Dec 2012 (ABS 3101.0).

[IN]SIGHT: AUSTRALIA'S REGIONAL COMPETITIVENESS INDEX

Click here to visit [In]Sight

The Regional Australia Institute is proud to introduce [In]Sight – the nation's first online index and interactive map tracking the competitiveness of Australia's 560 Local Government Areas (LGA) and 55 Regional Development Australia (RDA) regions.

Modelled on the World Economic Forum's Global Competitiveness Report, [In]Sight was developed in collaboration with Deloitte Access Economics and combines data from sources including the Australian Bureau of Statistics and the Social Health Atlas of Australia.
